PROGRAM SPONSORSHIP

HARVEY

By: Mary Chase

January 30-31 and February 1-2, 2019 @ 7:00 pm

The Woodinville High School Theatre Company provides an education in the performing arts for our community's students, grades 9-12. Arts in the school have a correlation with higher academic achievement, self-confidence, problem solving, and interpersonal skills amongst participating students. These benefits could not be realized without the direct participation of volunteers and benefactors.

We need your help please!

By purchasing an ad to be published in our play performance program(s) and be recognized on our web and social sites, you and your business will stand out as an active supporter of the Performing Arts in your community. You will have the patronage of the school community and the gratefulness of everyone involved in the production(s).

Show your recognition and encouragement of students in the arts!
